Reception

Guidelines

- Reception organisers may determine all logistics, conditions and costs associated with their event, including which workshop participants and other business partners are accepted to join, and which are not.
- ICEF will not get involved in the organisation of receptions, but simply ensure relevancy for workshop participants as well as an equal representation of receptions to all delegates.
- All workshop participants interested in attending a reception will be asked to make direct contact with the reception organiser. Organisers are responsible for confirming or declining acceptance directly with participants.
- Reception organisers wishing to promote their event through ICEF are requested to provide information as outlined on the ICEF website.
- Receptions may only be offered outside of workshop related activities and times. (Please refer to workshop programme [via this link](#))
- Only organisations attending the workshop may meet and host workshop participants. We do not wish to encourage non-registered service providers to access and benefit from meeting participants that workshop registered service providers have paid to meet.
