Workshops

FAM Tour

Guidelines

- FAM tour organizers may determine all logistics, conditions and costs associated with their tour, including which workshop participants are accepted to join, and which are not.
- ICEF will not get involved in the organization of FAM tours, but simply ensure relevancy for workshop participants as well as an equal representation of tours to all delegates.
- All delegates interested in attending FAM tours will be asked to make direct contact with the tour organizer. Organizers are responsible for confirming or declining acceptance directly with participants.
- FAM tour organizers wishing to promote their tour through ICEF are required to submit a proposal. All proposals are subject to approval and acceptance by ICEF.
- FAM tours may only be offered outside of workshop related activities and times. (Please refer to workshop program [▶via this link](#))
- Only organizations attending the workshop may meet and host other workshop participants. We do not wish to encourage non-registered institutions to access and benefit from meeting potential business partners that workshop registered organizations have paid to meet.

Proposal Deadline

12 weeks prior to workshop – **September 17, 2012**

deadline for proposals to be submitted to workshops@icef.com

11 weeks prior to workshop – **September 24, 2012**
