

# ICEF MIAMI 2018 FAU FAM TOUR

**You're invited** to discover the best of Palm Beach County — the playground for the rich and famous — and its premier destination for international students: Florida Atlantic University in Boca Raton.

After spending some time with staff and students on the beautiful campus, we'll visit FAU's facility at Gumbo Limbo, a beacon for environmental education, research, and conservation on a protected barrier island. Then enjoy a Florida-style lunch while discovering Boca Raton's unique charm from aboard a 55-foot sailing catamaran in the Intracoastal Waterway.

**We look forward to welcoming you!**

Carol Stax Brown  
 Executive Director  
 FAU Global Student Success Program  
 Florida Atlantic University
