Explore the mighty waters of the upper Te Awa Kairangi with Wellington Rafting. They are a very experienced company and you will be in safe hands. They'll guide you through exciting white water while you take in the riverside scenery and untouched native bush. All equipment needed will be provided.

Option

1

WHITE WATER RAFTING

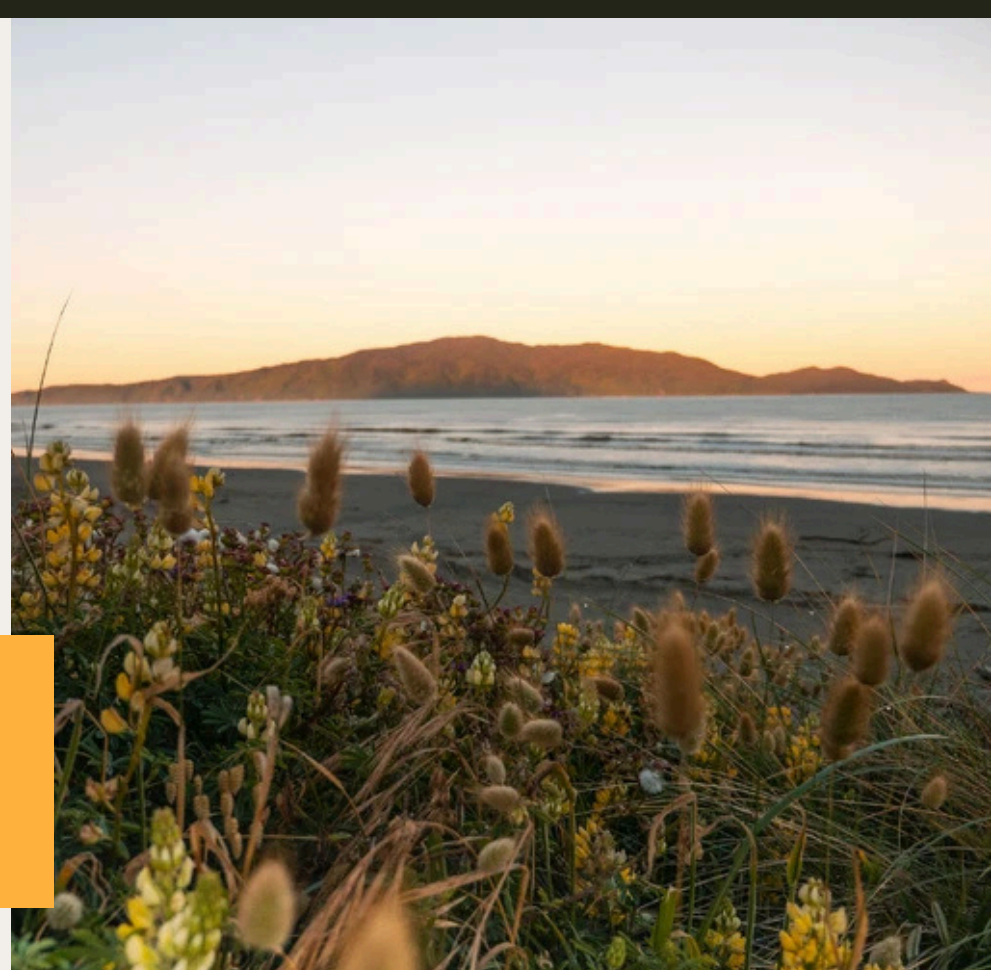

Kapiti Island is one of New Zealand's most important nature reserves. Spend the day travelling by boat to the island and walk a 1-hour loop track through regenerating forest and coastal shrubland, or take a more challenging 2-hour climb to the island's highest point for stunning views, then enjoy the boat trip back.

Option

2

KAPITI ISLAND VISIT

Design, shape, and polish your own bone carving. Participants will start with a piece of beef bone, design a simple pendant form and carve it to shape. Once shaped, the pendant will be polished, a hole made with a burr, and it will be strung with a cord. All equipment will be provided.

Option

3

BONE CARVING

Gourmet packed lunch provided for all activities!

**Tours organised by Aotea College, Paraparaumu College
& Hutt Valley High School**
