

# TE KĀRETI TAMATĀNE O TE WHANGANUI-A-TARA WELLINGTON COLLEGE

*Founded 1867*

## EXPERIENCE WELLINGTON COLLEGE

### Discover One of New Zealand's Premier State Boys' Schools

Join us for a **free** two hour hosted visit **while you are in Wellington City for ICEF ANZA.**

- Guided campus tour of our 13 hectare historic site
- Learn about NCEA and global university pathways
- Hear success stories from recent international graduates
- Enjoy light finger food and refreshments while networking
- Meet the students and teachers

### International Opportunities

Experience our unique international programmes including the Wellington College International Rugby Programme, partnering with leading institutions in Japan for outstanding cultural, sporting and academic exchange.

### Excellence in Science and Innovation

Our celebrated alumnus, **Sir William Pickering**, was the pioneering leader of NASA's Jet Propulsion Laboratory in Pasadena. Nearly half of our senior students study Physics and advanced Mathematics, including Cambridge and university level courses.

### Event Times

**Monday 2 March — 11.00 am**

**Tuesday 3 March — 11.00 am**

(Subject to demand)

**No Cost — Limited Spaces**
