

# Join English Teaching College, ETC, and Long Bay College for a unique Auckland North Shore outdoor educational marine experience

Join English Teaching College, ETC, and Long Bay College for a unique outdoor educational marine experience. Let us show you ETC's campus in Browns Bay and Long Bay College's campus in Torbay so you can see our exceptional locations in Auckland's North Shore. Our beachside locations allow our students to take advantage of outdoor educational and recreational opportunities which enhance their academic learning experience. We are proud to offer our students more than a classroom education as we open doors to once in a lifetime New Zealand educational opportunities.

## Sunday 8 March

- Pick up from Auckland Airport or central Auckland and drive to North Shore accommodation
- Spend the afternoon at Long Bay kayaking and experiencing outdoor marine environmental education with EOTC (Education Outside The Classroom) experts from The Student Tours
